Research Policy Document

(RPD)

Our Institution is expected to perform teaching, learning, extension activities and research by considering student as a nucleus and society is the circumference of that nucleus. The institute firmly believes that, the progress of the nation depends upon educational system adopted and research policy extended in the different fields of sciences, basic as well as applied and in commerce, humanities and social sciences. Undertaking the importance of research institute designed and all inclusive research policy while focusing upon quality research. The institute extensively focus upon inculcating the awareness of research amongst students as well as faculties. While building the research culture in the campus the institute also focuses on developing and offering the needed infrastructure facilities. Keeping this in view the college has established the research policy in the year 2014-2015.

Objectives :

1. To establish new research centers and strengthening the older one coupled with developing all sorts of infrastructure facilities.
2. To boost research sense and outlook while encouraging faculties to publish research papers in quality journals and undertake various projects from UGC, CSIR, ICSSR, DST, DBT, DRDO, HRD and Universities.
